

PRESENTATION CONSULTING SERVICES

Refresher Training offers consulting and coaching to prepare you to convey your presentation's message clearly with confidence and passion. Whether you're speaking to an audience of 1 or 1,000+ and whether your stage is a conference room or convention center, we provide personalized one-on-one guidance as you and/or your team get ready for your big presentation.

Our services include refining the message, organizing the flow, and coaching for an impactful delivery. We are devoted to providing caring, yet constructive feedback as we work with you to elevate your public speaking skills. Our presentation consultants work closely with you to develop your abilities to craft and deliver presentations with absolute confidence.

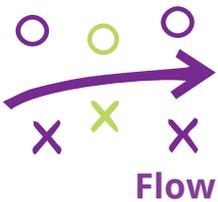

Refresher Training

Messaging

What's your presentation's big idea and why should it matter to your audience? We work with you to hone the what and why of your message so it's crisp, clear and concise.

Flow

What's the most effective presentation flow to make sure your audience sees, hears, and believes your message? We work with you to chart a clear direction for your audience to follow to ensure your message is understood and unforgettable.

Delivery

Want to feel more confident as you step into the spotlight? We work with you as you practice, providing real-time feedback so you can use your voice, movement, and gestures to deliver your message powerfully.

"Wendy helped me prepare for a very important presentation I was working on. She took my ideas and made them come to life in a professional manner that still felt like my presentation. She coached me on my presentation skills beforehand, and I nailed it! I couldn't have done it without Wendy."
